To,

Date : 10th September, 11

Head, department of the Botany /Environment Department/Faculty members off colleges and Universities/ Affiliated Colleges running P G Courses

Dear Colleagues ,

A circular is being mailed for the wide distribution amongst P. G. or fresh passed out masters students from the discipline of **Botany/Plant Science** or **Environment Science streams** to apply for the post of the **J R F sanctioned by University Grants Commission, New Delhi.**

Students with consistent good academic records are supposed apply with their bio-data including of the phone numbers, email id., photo along with the Xerox copies of the mark-sheets by 29th September and are advised to attend the interview on 30th September in Botany Department of Bareilly College, from 10.00 am.

Students will be preferred with sound English and interested in study of Bryophytes specially their applications as atmospheric bio-monitor for metals. Since project is on “Moss tool for national atmospheric elemental survey by bryophytes from Garhwal, Himanchal, and Punjab.” Students having knowledge of this area will also have additional benefit.

Sincerely Yours,

Dinesh

Dr Dinesh K Saxena
