

**NATIONAL CONFERENCE
ON
FUTURE STRATEGIES TO CONSERVE
OZONE LAYER**

16 Sept. 2016

1. Name (in Capitals)

2. a) Age b) Sex: M/F

3. Present Position

4. Affiliation

5. Address for correspondence
.....
.....

E-mail:.....

Phone/Mobile.....

7. Whether contributing paper: Yes/ No

If yes title of the paper (in Capitals):
.....
.....
.....

8. Accommodation required: Yes/No.....

9. Details of accompanied Person/s:
.....

10. Draft No. Amount

Bank Date

11.a) Date and Time of arrival

b) Date and Time of departure.....

Signature
of the Applicant

Signature
of the Head

CONFERENCE COMMITTEE

CHIEF PATRON

Shri Dev Murti

**ON THE OCCASION OF
WORLD OZONE DAY**

16 Sept. 2016

**NATIONAL CONFERENCE
ON
FUTURE STRATEGIES TO CONSERVE
OZONE LAYER**

NAAC Accredited 'A' Grade

ORGANISED BY

**DEPARTMENT OF
ENVIRONMENTAL SCIENCE**

VENUE

**Bareilly College Bareilly U.P.
243005 India**

About City: The district of Bareilly which is also known as Bans Bareilly forms a part of the Rohilkhand Division, the foundation of which can be dated sometime in the first half of the sixteenth century. The M. J. P. Rohilkhand University (1975) and **Bareilly College (1837)** along with many private colleges and universities underline Bareilly's educational front. The Indian Veterinary Research Institute (I.V.R.I.) and Central Avian Research Institute (C.A.R.I.) is located in the suburb of Bareilly. In recent past, Bareilly has given four eminent personalities- Waseem Barelvi (World renowned Urdu poet), Priyanka Chopra Miss World, Imran Khan (won a Gold medal shooter in 19th Commonwealth Games) and Apoorv Agarwal (recorded six times record holder in India Book of Records & Limca Book of Records). The city is also famous for its Zari work (a type of embroidery or fabric decoration), Surma, and manjha.

About College: Bareilly College, Bareilly is a prime college of M. J. P. Rohilkhand University located in Bareilly, Uttar Pradesh, India. In 1837 Bareilly College began with 57 pupils and Mr. Rogers was its Head master and 1850 it was raised to the status of Government College A new and glorious chapter in the history of Bareilly College began with the joining of our present Principal

Dr. Somesh Yadav It is under his dynamic leadership that the college is progressing by leaps and bounds.

About Department: Environmental Science is a multi Disciplinary science and it includes not only the Life Science but also Chemistry, Physics, Geology, Geography, Metrology, Climatology, Hydrology, Anthropology, Sociology, Mathematics and Statistics.

In Environmental Science many issues such as land, water, air pollution, degradation of natural resources, ecological deterioration and consequential decline in human health index, ecological imbalance and its climatologically implications etc. are discussed. The Department of Environmental Science through its project work and course design tackles these issues and put forward the solution of environmental problems which are useful to each and everyone. The Department of Environmental Science with graduation level courses started in 1987 under the UGC restructuring plan while postgraduate classes started from 2008. It is the only college in Rohilkhand Division which impart environmental education at graduate and postgraduate level under the baton of MJP Rohilkhand University. Department of Environmental Science of Bareilly College, Bareilly has a mission and vision in providing contemporary education on environmental issues. On the occasion of WORLD OZONE DAY, The Department of Environmental Science is organising one day national seminar on 16 sept.2016 with a hope that contribution of academic papers would come up with practical and workable solutions to protect ozone layer as well as our environment.

How to Reach: The nearest airport from Bareilly is New Delhi & Lucknow that is 250 Kilometers each. The main railway station Bareilly Junction. The Bareilly is also well connected with other cities like New Delhi, Agra, Kanpur, Lucknow, Varanasi, Jaipur, Kolkata and Mumbai through a cluster of super fast and express trains, Roadway buses also help in linking Bareilly with many other cities.

THEMES

- Preventive measures of ozone hole depletion
- Environmental toxicants and their remediation
- Water conservation flood and drought mitigation
- Environmental Pollution
- Waste management
- Sustainable use of natural resources and their management
